

Job Description and Person Specification

| | |
|----------------------|-------------------------------|
| Post: | Plumbing and Gas lecturer HPL |
| Contract: | Hourly Paid |
| Hours: | Variable |
| Reporting to: | Curriculum Manager |
| Salary: | £40,00 per hour |

Key Purpose:

To act as a course tutor and personal tutor and teach a variety of occupational units on all levels of Plumbing and Gas programmes at Tottenham Centre.

Main Duties and Responsibilities:

- To be able to teach up to level 2.
- To teach across a range of courses and be involved in student support and pastoral care.
- To prepare appropriate teaching materials and keep them up to date and to use VLE (Moodle), MS Teams and Google Classrooms for resources and tutorials.
- To assess students' work and attendance and use a PLP system (pro-monitor) for monitoring progress.
- Where appropriate, to liaise with employers and secure work experience placements; monitor placements and assess students in the work place.
- Undertake associated duties of administration and record keeping, enrolment and examination procedures etc.
- To be able to integrate English and maths into the vocational teaching.

- To promote the curriculum development of existing and new courses, including monitoring, evaluation and quality assurance.
- Marketing and recruiting including interviewing and assessing students.
- Attend College and section meetings, and relevant staff development events
- To undertake other duties as appropriate.

Expectations of the Post Holder:

- Ensure that the College policy for equality and diversity of opportunity is adhered to and promoted in all aspects of the post holder's work.
- Ensure effective quality control and continuous improvement in all aspects of the work and responsibilities attached to this post, in keeping with the College's quality assurance procedures and systems.
- Undertake responsibilities for safeguarding and protecting the welfare of children and vulnerable adults.
- To comply with and promote College Health and Safety policies and procedures and to undertake recommended Health and Safety training as and when necessary.
- Be committed to professional self-development, through participation in in-service training as necessary for the successful carrying out of the job.
- Undertake such other duties as are commensurate with the grade of the post, as may be reasonably required at the initial place of work or at other locations in the College.
- All lecturers appointed to the College can be required to teach a broad range of courses within the curriculum area to a variety of age groups.

Basic Skills and Learning Support:

All teaching staff at the College are expected to support students to develop their English and Maths skills, using teaching, learning and assessment opportunities within the curriculum or through the delivery of Additional Learning Support, to do so.

You will be expected to mark students' work carefully and thoroughly, giving advice on how it could be improved, and also correcting spelling, grammar and vocabulary when necessary.

Newly appointed staff without a Level 2 English and Maths qualification will be supported with in-service training to develop their professional skills to enable them to confidently develop the English and Maths skills of their students.

N.B. This job description is designed to outline a range of main duties that may be encountered. It is not designed to be an exhaustive listing of tasks and can be varied in consultation with the post holder in order to reflect changes in the job or the organisation.
