

THE COLLEGE OF HARINGEY ENFIELD & NORTH EAST LONDON

JOB DESCRIPTION

Post	Science (Chemistry) Lecturer
Location	Tottenham
Reporting to:	Curriculum Manager

About the role:

The post holder will be responsible for providing effective teaching and tutoring to students studying BTEC Chemistry levels 1-3, The diplomas have strong maths component, so you need to be confident teaching maths at Level 3. The post holder may be required to mark and assess assignments in line with department expectations.

About you:

With appropriate experience and qualifications reflecting a strong background in science education sector, you will have a teaching qualification, with a history of teaching within a science I (or similar) context to a high standard, with personal/group tutoring experience and of teaching a variety of programme units at E3, Level 1 and Level 2 (Level 3 desirable). You must have the ability to communicate with students and to motivate and support them in their studies.
